Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Sunday 14 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Wet and windy this evening. Some sunny spells Monday.

This Evening and Tonight:
Very gradually becoming milder from the west through the night, but tempered by rain and strong winds. Perhaps drier but rather cloudy and murky in western parts into daybreak. Minimum temperature 0 deg C (32 deg F).

Monday:
Rain soon clearing east, followed by low cloud, mist and patchy drizzle for a time though improving from the west to become dry with occasional sunshine. Noticeably milder. Maximum temperature 12 deg C (54 deg F).

Outlook for Tuesday to Thursday:
Remaining mostly mild, but changeable and often rather windy. Spells of rain are possible on all days, perhaps especially Thursday, but also some drier interludes and sunny spells.
